

EBSCO (Elton B. Stephens Co.) Business Source Complete Online Database

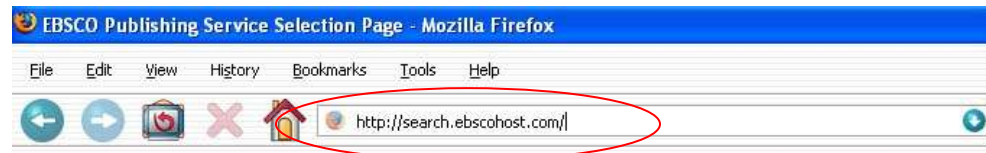

What is Business Source Complete (BSP)?

A comprehensive, business periodical database that includes scholarly journals and business periodicals covering topics such as management, economics, finance, accounting, international business and much more. It contains full text sources ranging from general business periodicals such as Business Week, Forbes, Fortune, American Banker, etc. to academic journals such as Harvard Business Review, Journal of Management, Academy of Management Review, Review of Economics & Statistics, etc. and provides cumulative indexing and abstracts for 3,010 business journals and cumulative full text for over 2,740 journals.

Step 1: Accessing

Option 1 - In house use

- a. Type the URL – <http://search.ebscohost.com> on your internet browser. Ebscohost can be use anywhere within the building provided with workstation and internet access.

Option 2 – Off site use

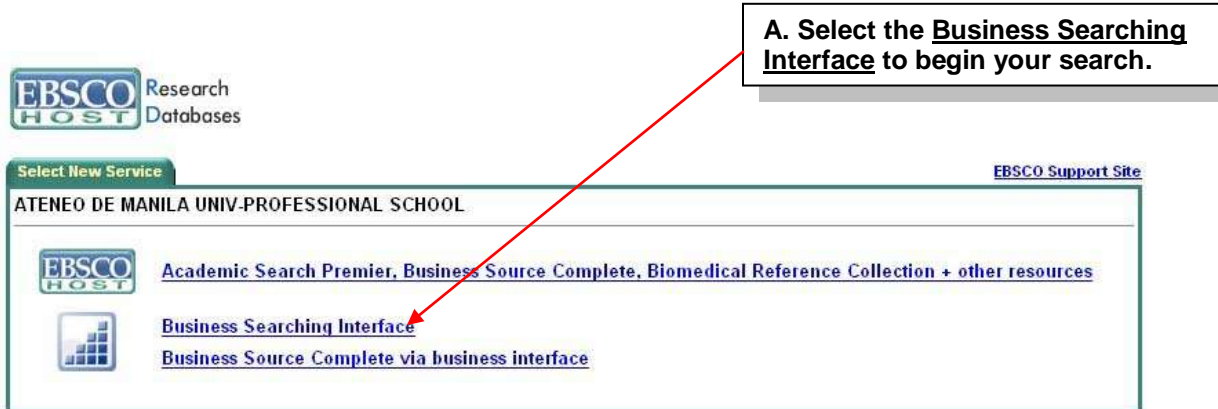

- a. At the start of the term, visit the APS library to secure your username and password.
- b. You will be prompted to enter your username & password

A screenshot of the EBSCO Research Databases login page. The page features the EBSCO HOST logo and the text "Research Databases". A link for "Athens Users Login" is visible in the top right. The main login area is titled "Login" and contains two input fields: "User ID" and "Password". A "Login" button is positioned below the fields. In the top right corner of the login area, there is a link for "EBSCO Support Site". At the bottom of the page, there is a section for "Minimum browser requirements: Internet Explorer 5.5, Firefox 1.5, Safari 1.1".

Note: Passwords and username are strictly for the teaching faculty and enrolled student's personal use only.

Step 2: Researching

Option 1 - Business Searching Interface

The screenshot shows the EBSCO Research Databases interface. At the top left is the EBSCO HOST logo with the text "Research Databases". Below it is a "Select New Service" button. The user's institution is listed as "ATENEO DE MANILA UNIV-PROFESSIONAL SCHOOL". A list of services is displayed, including "Academic Search Premier, Business Source Complete, Biomedical Reference Collection + other resources", "Business Searching Interface", and "Business Source Complete via business interface". A red arrow points from a text box to the "Business Searching Interface" link.

A. Select the Business Searching Interface to begin your search.

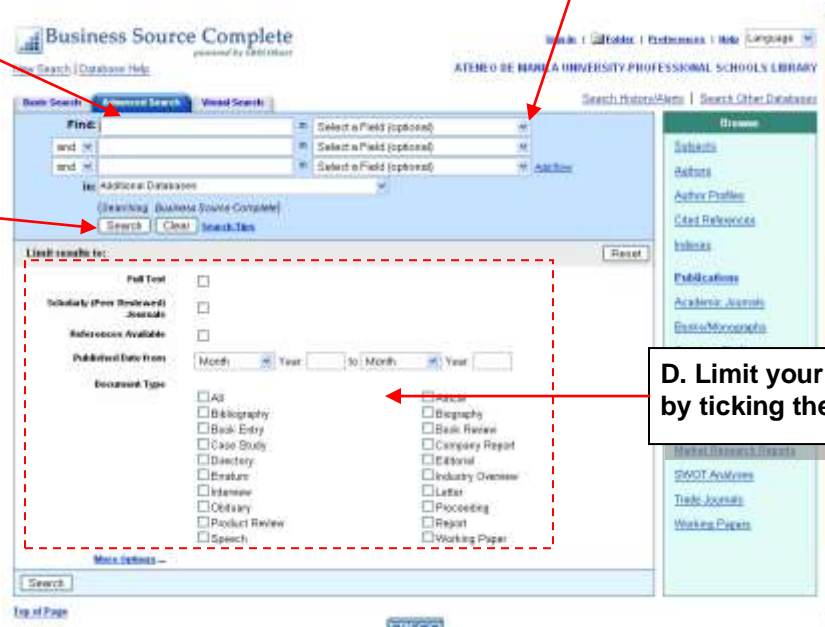

Minimum browser requirements:
Internet Explorer 5.5, Firefox 1.5, Safari 1.1

Title:	Syndicated euroloans.
Authors:	Melnik, Arie L. Plaut, Steven E.
Source:	Blackwell Encyclopedic Dictionary of Finance; 2005, p1-190, 189p
Document Type:	Article
Subject Terms:	BANK loans BANKS & banking CREDIT FLOATING rate notes INTEREST rates PROMISSORY notes SYNDICATED loans EURO
Abstract:	Syndicated euroloans consist primarily of medium-term, unsecured, and secured credit facilities issued by international banks. Maturities range from one to twelve years, with average maturity of six months. euroloans are usually renewable six-month loans, rolled over or extended through the interest rate floats, usually with relation to LIBOR. As such, euroloans in many ways resemble floating rate notes. [ABSTRACT FROM AUTHOR]
