Memo to : All MBA-Standard Program Students  
From : (sgd.) Jowett Cecilio F. Magsaysay, MBA, PhD  
Dean  
Subject : Memo on Validating Exams

---

Effective this school year, 2021-2022, AGSB will not be conducting validating exams for Pre-MBA courses.

All incoming students for the MBA Standard program will be required to take all five Pre-MBA courses:

- Business Communication
- Applied Mathematics
- Financial Accounting
- Managerial Statistics
- Methods of Research

The only exception is for a Certified Public Accountant in the Philippines, who will be exempted from taking Financial Accounting, and therefore will be credited for that course, upon showing documents that establish that:

- The student is a graduate of a BS in Accountancy
- The student has passed the Certified Public Accountant's Licensure Examination, conducted by the Board of Accountancy under the supervision of the Professional Regulations Commission (PRC).

Please be guided accordingly.

Thank you.
