SUBJECT	Extension of registration and enrollment for Term 4, AY 2023-24 due to SIS upgrade on 27 April 2024

The University is currently upgrading its School Information System (SIS) for the Ateneo Professional Schools. As a result, the SIS will be unavailable on April 27, 2024, impacting the third day of regular registrations for Regis students.

To accommodate this inconvenience, the regular registration and enrollment period has been extended until April 29, 2024, 7:00 P.M. Fortunately, this extension will not affect the scheduled start of classes, which will proceed as planned on April 29, 2024.

Late registrations will commence on April 30, 2024, and will conclude by May 4, 2024, at 2:00 P.M.
